

Shhhh...we are Bear hunting...

The GWRRA N.C. Chapter R will host its 16th annual Care Bear Ride once again!

We will be collecting as many stuffed bears as possible to warm the hearts of children in crisis. The Care Bear Ride destination will be the Thomasville Police Department where the bears will be delivered to their new homes.

There will be a lunch ride following the presentation of bears to the Police Department. Gather as many stuffed bears and please come out and help support this cause. Our goal is to put smiles on children's faces in times of need.
